

Ronnie Izon

Your Third Act Is Calling

Speaker • Author • Founder, Third Act Society

Nigerian-born, American-grown author and speaker Ronnie Izon helps women step into their Third Act with power and purpose. Whether navigating empty nest, divorce, loss, or career change, her message is clear: your Third Act is calling. Her debut book, *Slipping Through My Fingers*, sold 350 copies on launch night. She's the founder of Third Act Society, redefining what's possible for women in life's third act.

SLIPPING THROUGH MY FINGERS

What Every Mother Feels. What Every Daughter Will One Day Understand.

A raw, faith-filled memoir about navigating the empty nest and discovering that letting go is the doorway to your most powerful chapter.

Available:

Amazon (paperback \$17.99, ebook \$9.99)
Autographed editions from author

“This book is a resource for all who must navigate life's stages and should be marketed as such. Ronnie is a brilliant, conscious Black queen offering gifts of knowledge.”
— Dr. Deborah Evans, Retired Psychologist

THE THIRD ACT: REIMAGINING LIFE AFTER THE KIDS LEAVE

The empty nest isn't an ending - it's an invitation. This talk explores how to navigate an identity crisis, reframe loss as opportunity, and step into your most powerful chapter yet. Perfect for women's conferences, church ministries, empty nest groups, and corporate leadership events.

THE SACRED ART OF LETTING GO

Control is love's greatest enemy. This talk explores why releasing our grip on our children, our past, and our expectations is the doorway to deeper connection and personal freedom. Audiences leave with practical spiritual practices they can use immediately. Perfect for faith-based groups, parent workshops, life transition seminars.

THE INVISIBILITY GAP: RECLAIMING POWER AFTER 50

Women don't disappear at 50 - we're just getting started. This talk challenges the cultural erasure of women over 50 and reclaims this demographic's power, wisdom, and potential. Perfect for women's leadership events, diversity initiatives, advocacy groups.
